1. This form must be filled by students who wish to register for a second major in Mathematical Sciences and have the AU requirements in their degree audit changed.

2. The second major in Mathematical Sciences is only applicable for students under the Pure Physics Programme.

3. A copy of your transcript and Degree Audit (if any) must be attached to this application for Year 1 students. A copy of Degree Audit must be attached to this application for Year 2 students. No application will be accepted for Year 3 students.

4. The application must be approved by Chair or Associate Chair and Head of Division. Students are required to register for the course(s) themselves after the application has been approved. There is no guarantee of securing a place for the courses as it depends on the time-table constraints, vacancies and pre-requisite requirements.

5. The approval of this application does not guarantee the eventual award of the second major if students could not fulfill the requirements at the end of their period of candidature.
